## **RESIGNATION ANNOUNCEMENT**

At the May 16 regular meeting of the Sauk County Board of Supervisors, Sauk County Board Chairperson Marty Krueger announced that he had received the resignation of Nicholas Ladas from the Sauk County Board of Adjustment. Ladas, who resided in the Town of LaValle, was a “primary” citizen member of that body. His current 3-year term runs through June 19, 2018. In a phone call to Krueger, Mr. Ladas stated that he and his wife had sold their residence on Lake Redstone and would be moving out of the county, necessitating his decision. He expressed his gratitude for the opportunity to serve the citizens of Sauk County.

The Board of Adjustment consists of five (5) primary members and two (2) alternate members, appointed by the County Board Chair. The Sauk County Board of Adjustment is a quasi-judicial in nature, with the body acting like a court in applying statutes, ordinances, and case law to the particular situations brought before it.

The primary role of the Board of Adjustment is to hear and decide cases where there is an error alleged in a zoning decision or determination (i.e. administrative appeal), or where a property owner requests relief from strict adherence to an ordinance (i.e. variance). The Board also hears requests for Special Exception Permits for property uses listed in ordinances, but that can only be established if the Board of Adjustment determines that conditions specified within the Ordinance can be met. This Board also hears appeals made on decisions of the Conservation, Planning and Zoning Committee.

The Sauk County Board of Adjustment meets the fourth Thursday of each month at 9:00 AM in the County Board Room, unless otherwise determined each year by the Board. If interested in being appointed to fill this vacancy, contact Sauk County Board Chairperson Marty Krueger by May 31.
