GENERAL SERVICE CONTRACT AGREEMENT

Girard's Business Solutions, Inc. and the above subject customer enter into an agreement to render service to the machine listed above. Payment for this service is due in advance and subject to the terms of this agreement. This agreement will be automatically renewed for successive periods at the price in effect at the beginning of each renewal period.

The machine listed in this agreement must be serviced only by an authorized Girard's Business Solutions, Inc. service or sales representative.

It is also agreed that the above equipment is in good condition at the time of this agreement and is so maintained. This agreement does not provide for repairs made necessary through damage by fire, water, chemical, power spikes, accident or abuse. The above price includes thorough servicing or any necessary repairs required by the above serial number machine except for major overhauls or operator errors.

Furthermore, it is agreed that Girard's Business Solutions, Inc. can not be held responsible for service related to the condition of customer forms, envelopes, consumable supplies purchased through other vendors or excessive monthly usage. Agreement does not provide for operator training outside of original installation date.

This Agreement contains the complete subject matter, agreed upon by both parties. No promises or representations other than set forth herein will be honored unless made with the expressed approval of Girard's Business Solutions, Inc.

The above subject customer or Girard's Business Solutions, Inc. may terminate this agreement at any time by mailing notice to that effect to either party 30 days prior to the termination.
