Methods of Determining Costs and Procedures for Billing
Sauk County Accounting Department Cooperative Agency**

Under 45 CFR 304.21(c), states have discretion with respect to the method of calculating eligible expenditures. However, any method used must account for the specific costs incurred on behalf of cases receiving IV-D services.

Depending upon the county practices, different methodologies may be appropriate to identify and document Federal Financial Participation (FFP) eligible costs for the various Cooperative Agencies. Pursuant to federal regulations, the amounts charged to the child support program by the Cooperative Agency must be reasonable and necessary to provide IV-D services. Amounts charged must also be reasonably assignable to IV-D services, and fully documented in the IV-D agency financial records.

Methodologies for Determining Costs for Staff and Non-salary Items

Actual Time Accounting

The Cooperative Agency will maintain detailed timesheets of actual time spent on IV-D activities. The detailed timesheets will include the actual dates, hours spent, activities performed, and IV-D case identifiers. Procedures for Billing: The detailed timesheets will be provided to the Child Support Agency (CSA) by the twentieth (20th) day of the month following the month that the activities were performed.
