**Drug Court Program Updates:** J. Krueger reports that we are working on a partnership with the St. Clare Center in Baraboo to provide services to Drug Court participants. This allows the program to truly offer the intensity of services that this population needs. There are five active participants in programming at this time.

**Team Transition:** It is determined that under the bylaws being considered this will become a subcommittee within the Adult Justice Systems standing committee. The discussion is prompted to appoint Judge Screnock as the Drug Court Judge to the Chair position of this subcommittee. This discussion is tabled and will continue at our next meeting.
