

TABLE OF CONTENTS

Forward	i
Acknowledgements	ii
1. Introduction	
Chapter Overview	1-1
Purpose	1-1
Funding	1-2
Scope	1-2
Contents	1-2
Data Sources	1-2
Relationship of Mitigation Planning to Other Emergency Management Activities	1-3
Relationship to Other Plans	1-3
Plan Preparation, Review, and Adoption	1-5
Interagency Coordination	1-9
Plan Maintenance and Amendment	1-9
Incorporating this Plan into Other Planning Efforts	1-10
Governmental Units Adopting this Plan	1-11
2. Planning Area Profile	
Chapter Overview	2-1
Regional Context	2-1
Units of Government	2-2
School Districts	2-2
Population	2-2
Housing	2-5
Transportation	2-5
Land Use and Development Trends	2-6
Jobs and Employment	2-7
Climate	2-8
Physiographic Features	2-9
Surface Water	2-9
Wetlands	2-9
3. Special Needs Populations and Groups	
Chapter Overview	3-1
Elderly	3-1
People with Disabilities	3-1
Minority Status	3-2
Poverty	3-2
Social Vulnerability Index	3-2
Homeless Individuals	3-5
Populations with Language Barriers	3-5
People Living in Manufactured and Mobile Homes	3-5
People in Campgrounds	3-5
People in Recreational/Educational Camps	3-5
4. Critical Facilities	
Chapter Overview	4-1
Bridges	4-1
Dams	4-3
Public-Use Airports	4-3
Communication Towers	4-3
Telephone Facilities	4-3
Electric Facilities	4-3
Public Water Facilities	4-3
Wastewater Facilities	4-4
Public Safety Facilities	4-4

National Guard Facilities	4-4
Government Facilities	4-4
Schools	4-6
Special Care Facilities – Residential	4-6
Special Care Facilities – Nonresidential	4-6
Health Care Facilities	4-8
Vulnerable Housing	4-8
5. Natural Hazards Assessment	
Chapter Overview	5-1
Hazard Identification	5-1
History of Weather-Related Events	5-5
Presidential Declarations	5-6
Climate Change	5-8
Dam Failure	5-10
Flooding	5-12
Dense Fog	5-27
Tornadoes	5-28
Hailstorms	5-30
Thunderstorms	5-31
Winter Storms	5-32
Extreme Heat	5-33
Extreme Cold	5-36
Drought	5-37
Summary of Risk by Jurisdiction	5-39
Summary of Damage Estimates	5-41
6. Manmade Hazards Assessment	
Chapter Overview	6-1
Hazard Identification	6-1
Loss of Sewer System	6-4
Traffic Accidents	6-5
Structural Fire	6-6
Loss of Electrical System	6-8
Hazardous Material Spill at a Fixed Site	6-8
Summary of Risk by Jurisdiction	6-10
7. Mitigation Strategy	
Chapter Overview	7-1
Types of Potential Mitigation Strategies	7-1
Existing Mitigation Strategies	7-4
Funding Sources	7-15
Review of Capabilities	7-17
Authority to Control Land Use and Development	7-18
Goals, Objectives, Policies, and Activities	7-19
Mitigation Projects and Activities	7-27
Appendices	
A Map Series	
B Public Participation Documentation	
C Certification Letter	
D History of Adoption and Amendment	
E Critical Facilities Sorted by Type: 2024	
F Critical Facilities Sorted by Jurisdiction: 2024	
G Weather-Related Events: 1950 – 2023	
H American Red Cross Shelters: 2024	
I Grant History: 1965 through 2024
