Public Health
Prevent. Promote. Protect.

October 31, 2019

Contact: Diana Haley, Public Health Nurse

Press Release:

It is Open Enrollment Time for the Affordable Care Act!

The **Health Insurance Marketplace** is for those people who do not have health coverage through employment, Medicare or Medicaid.

Just **45 days** of Open Enrollment for 2020 coverage: **Nov. 1 through Dec. 15**

Visit www.HealthCare.gov or call **800-318-2596**.

- **Get health insurance.**
- **Renew your plan...**but shop around first!
- **Compare plans.** Make sure your provider & medications are covered.
- **Update your info** on income & family members any time of year.

How to enroll:

1. **HealthCare.gov:** on-line application. You will need an e-mail address.
2. Go to **"Find Local Help"** at this site for locations of local trained "navigators" and health insurance agents.
3. Apply by phone: **800-318-2596**.

Individuals can make an appointment with **Reedsburg Area Medical Center (608-768-6132)** or **SSM Health/St. Clare Hospital (608-356-1334)** for help.

Do you need a computer? Visit your local library.

Some medical coverage is available any time of the year: BadgerCare Plus for income eligible single adults, children and pregnant women* who are citizens and BadgerCare Plus Family Planning Only Services for income eligible citizens. The Wisconsin Well Woman Program provides preventative health screening services for income eligible women, both citizens and non-citizens. Contact the Sauk County Health Department **608-355-3290** for more information on these programs.

*All pregnant women are eligible if lawfully present in the US.
