Budget Book RFP questions submitted with answers:

- What System does the organization currently use to prepare and manage the budget?

A: Tyler Munis ERP V2024.2

- Is the Organization interested in exploring a Capital Budgeting Module to help with building out and managing the Capital Improvement Plan?

A: Yes

- Has the County seen demonstrations from any vendors for budget software or digital budget books?

A: Yes

- What products did the County demo?

A: Gravity from IGM Technology and a solution from ClearGov.

- In an effort to reduce hard copy materials, is the County open to receiving a proposal response via email submission? If email submissions are not acceptable, is the County open to receiving an original, signed proposal on mailed USB drive(s) in lieu of hard copies?

A: Sauk County requires that the proposal be submitted as specified in the RFP.

- Is Sauk County looking for a solution to support all budget categories (capital, operating, etc.)?

A: Yes
